APPENDIX B:

**REPORT ON THE PROPOSAL FOR SYNERGIZED STANDARD
OPERATING PROCEDURES FOR COASTAL MULTI-HAZARD EARLY
WARNING SYSTEM PHASE 3 (SSOP III)**

1. SSOP-III project Objectives
 - a. Build upon the first two phases of SSOP
 - i. Initial project: Promote community level resilience, including vulnerable and special needs individuals, to coastal hazards through effective, synergized SOPs for multi-hazards EWS
 1. Training missions
 - a. PTC: Bangladesh, Maldives and Myanmar
 - b. TC: Cambodia, Lao PDR and the Philippines
 2. Published the Manual on SSOP
 3. Published the Quick Reference Guide on SSOP
 - ii. Phase II: To extend the achievements from the SSOP initial project among 10 beneficiary countries, and transit the existing technical methodologies onto productive forces, promoting capacity on disaster risk reduction.
 1. Training on the mechanism to establish and improve SOPs
 2. Training workshop (10 beneficiary countries, 5 each PTC & TC)
 3. Consultation in-country workshops (4-6 beneficiary countries, 2-3 each)
 4. RSMC attachment training (Tokyo and New Delhi, 8 beneficiary countries, 4 each)
 - b. To extend the achievements from the SSOP I and II projects among beneficiary countries, including TC, PTC and TCC members, by teaching how the existing methodologies can improve (or establish) productive SSOPs, and promoting capacity on disaster risk reduction.
 - i. Training on the mechanism to establish and improve SOPs
 - ii. Training workshop (10 beneficiary countries, two from TC, three from PTC and five from TCC)
 - iii. Consultation in-country workshops, national or sub-national (6 beneficiary countries, 2 from each region)
 - iv. RSMC attachment training (Tokyo, New Delhi, Fiji, 12 beneficiary countries, 4 from each region)
 - c. Enhance regional cooperation and collaboration through joint training, education and awareness within a regional body and among regional bodies.
 - d. Integrate current and new regional body project plans within the scope of the SSOP III project in order to synergize efforts and avoid unnecessary duplication.
2. Mr. Tom Evans expressed his gratitude for considering continued support for the amended proposed project.
